

Doc In Good Easter Form

Jan Van Vollenstee had a terrific round of golf to score 42 Stableford points and claim the Easter Goodies in the Club trophy day last Saturday. 'The Doc' took extra care this week to make sure his scorecard was suitable to pass the match officials' scrutiny after his mishap during the Riverside tournament.

Hot on his heels in second place was low marker Leon Moran. Moran fired an even par round for 41 points and showed that his time away from competitive golf has not affected his scoring ability.

Dan Clayton was one further back on 40 points on a day when the course played a little easier, resulting in a CCR of 70.

Next in the field of 36 was Riverside runner up, Trevor Johns, who along with Rod Miller scored 38 points. Bruce Miller (37), Garry Dawson (37) and Alf Sanford (36) completed the list of voucher winners.

Jill Burgess and Betty White had to be separated by count back after both scored 36 points, with Burgess getting the nod and the Easter Eggs in the Ladies event. Bev Moyses was next with 29.

Nearest the Pins were won by Rod Miller, Leon Moran and Dan Clayton.

Long putts went to Fred Bronickis and Betty White, and Bruce Miller took out long drive honours.

The King Scrounger heeded the call and gave golfers an early Easter present by reverting to full handicaps last Thursday. Jaydon Ellery topped the list of 37 starters with 22 points.

Alan Banks was next on 21 followed by Jim Tyler, Bryan Simpson and Jeff Crowe on 20 points. Greg Bell had the best gross (14) and Nancy Lynn (20) topped the ladies.

Novelties went to Dean Rakich, Fred Bronickis and Mark McCormick.

Phil Warburton displayed his staying power when he had 31 points to win the Vets competition last Tuesday. Warby was one of a few who were fronting up for their sixth consecutive day of golf. No rest for the wicked they say! Alan Banks (30), Fred Bronickis (27) and Frank Battista (26) made up the top four.

Novelties went to Alan Banks, Ray Alp and Fred Bronickis.

This week the Solstice group has their Summer Trophy day. Some members of the group have been on a fitness campaign and one will strip at a record low 'fighting' weight for the day. Hopefully the gains for his self imposed discipline will not go down the drain in one day.

Scroungers is on today. There will be an 18 Hole 4BBB Stableford for the Solstice Trophy on Saturday. Tuesday is Leisure Day and Vets golf.
