

## **FLYNN AND LAIRD PREVAIL IN THE WET**

Clayton Flynn and David Laird enjoyed the wet conditions and each other's company to comfortably win the Subway fourball event last Saturday. The familiar duo tallied 47 points in trying conditions to eclipse the remainder of the field.

John Brown and Trevor Lawrence were first in, as per usual, and it looked a case of 'best dressed' with their 44 points until late in the day, as they were relegated to the runner up position.

Bryan Simpson and Jim Hine took the countback for third with 43 points ahead of Wayne Waywood and Dean Rakich and also Alex Bayley and Dennis Cocker.

Matt Harker and Chris Bliss along with Jim Moyses and Hugh Annandale recorded 39 points to get a deserved mention.

Colin Brown, Ray Cooper and Ron Annandale won the nearest the pins, Clayton Flynn and Dennis Cocker took the long putts and 'Flynn' capped off a sterling day with the long drive.

Tony Barker-May took the honours in Scroungers with 20 points. The quartet of Frank Battista, Alf Sanford, Des Hebb and Mick Finlay filled the minor placings in the field of 42 men. Greg Bell kept his good form going with another best Gross score of 16 points.

June Pike and Gwen Tanian scored 17 points to top the ladies group.

'TB-M' and Frank Battista won the novelties.
