

## **CZERNIAWSKI WIPES AND WINS**

On a delightful winter's day, Dave 'Choppa' Czerniawski continued his good recent form when he took out the Lotex Filters Stableford competition last Saturday. The long hitting Czerniawski compiled a very tidy 41 points, despite 4 wipes on his scorecard, to win with three points to spare on a day when most of the field of 53 players found the going tough.

Alan Banks and fellow Veteran Jim Hine tied on 38 points with the former getting the count back result. Others to get a mention included Ed Riley, Warren Harrison-Brown, Tony Barker-May and Brian Banks on 36 points, followed by Mike Daley, Bryan Simpson and Frank Battista with 35 points.

Nearest the Pins were won by Peter Gray, Clayton Flynn and Captain Rak. Both Long Putts went to 'Choppa' with Rod Miller winning the long drive.

In a double barrelled battle - and we are not talking shotguns - Warren Harrison-Brown and Tony Barker-May took their Saturday form into Monday, when they competed in Muja Power Station's annual Masters & Blasters competition. While 'guest' Phill Warburton won the day with a tidy 39 points, as a non Verve Energy employee or ex employee he was ineligible for the coveted yellow jacket. Harrison-Brown's 37 points in second place allowed him to Texta his name on the jacket, a point ahead of Barker-May, who just failed to defend the title he won last year after three wipes on the back nine wrecked his chances.

Jim Moses showed he was holding good form with a win in Scroungers last week. Moses tallied 21 points for a victory over the wily Veteran Phill Warburton and Kevin Ireland on 20 points. Mick Finlay had 19 points, followed by Ray McGill and Rob Sherwood with 18 points. 'Bomber' was having yet another farewell!

Deb Van Vollenstee had 21 points for a decisive win in the ladies section. Bev Moses and Kaye Farquhar both finished with 16 points.

Bryan Simpson, Bruce Roberts and Kevin Ireland won the novelties.
