

## **CZERNIAWSKY IN CONTROL**

On a delightful winter's day, Dave 'Choppa' Czerniawski broke through for a good win in the Tyco Flow Control Stableford event played at the Collie Golf Club last Saturday. The long hitting Czerniawski compiled a very tidy 44 points, despite two wipes on his scorecard, to win with 4 points to spare on a day when a number of the field of 44 players found the going tough.

Jan Van Vollenstee played a great round of golf to finish with 40 points, taking the runner up trophy. Allan Banks was third in a three way count back from Darren Morfitt and Peter Gray, all parties with 39 points.

Greg Martin and Eric Annandale were next on 38 points, Ryan Dye, Ian Shannon and Ross Brody had 37 with Jeff Crowe, Brad Swan, Greg Bell, Denis Cocker and Alan Kent all receiving vouchers for their 36 points each. Bell also won the trophy for best gross score with 28 points.

Nearest the pins went to Ryan Dye, Kalev Kutt and Greg Martin.

Long putts were won by Ian Stewart and Neil McDonald while Darren Morfitt took the long drive.

Troy Sheppard scored 23 Stableford points and then had luck on the spinning wheel to be the leading Scrounger last Thursday in a field of 52 men and five Associates. Rod Miller, Ian Annandale and George Davis matched the winner with the same good score in the modified Waywood special event.

Dave Brunswick, Jeff Crowe and Kevin Ireland tallied 22 points with George Dorozenko, Tony Barker-May and Dave Czerniawski rounding out the vouchers on 21 points apiece.

Nancy Lynn won the Associates section with 19 points from Betty White on 18 while Rod Miller also won the best gross score with his round of 37.

Novelties were won by Jeff Crowe, George Davis, Rod Miller and Jim Moyses.

Jeff Crowe was the winner of the Vets Competition last Tuesday with 29 points over Peter Walsh on the same score. Only nine hardy souls took part on a soggy day. As a result no cards were taken out in the Leisure Day event.
